**The UCSB Financial Crisis Response Team exists to assist students who are facing a financial crisis or urgent financial need. This effort aims to assist undergraduate and graduate students who are facing significant financial difficulties that jeopardize their path to graduation. The team works closely to evaluate, respond and support students in crisis in a streamlined and timely manner.**

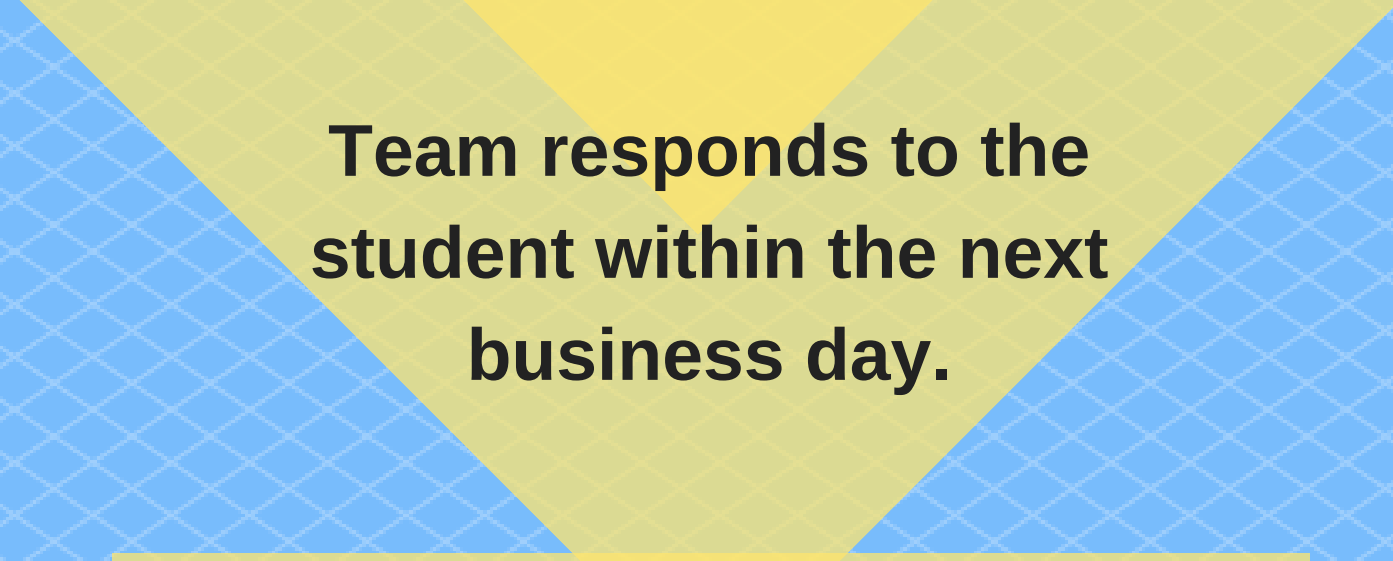

## **Financial Crisis Response Process:**

**Student experiences a severe financial crisis.**

**Student emails team with details of the crisis.**

**Team responds to the student within the next business day.**

**Financial Crisis Response Team works to develop a plan of action.**
